Consent for emergency care and transportation

If at any time medical treatment is necessary, due to circumstances such as an injury or sudden illness, I authorize the early learning and childcare staff to take whatever emergency measures are necessary for the protection of my child while in their care.

I understand this may involve applying first aid, contacting a medical practitioner, carrying out the instructions given, and/or transporting my child to a hospital, including the possible use of an emergency vehicle.

I understand that this may be necessary prior to contacting me and that any expense incurred for such treatment, including emergency transportation is my responsibility.
