Early closure

Very rarely have we closed early due to a storm or power outage. However, we would send an email, post a notice on our Facebook page, and do follow up phone calls to notify parents, ensuring parents received our message. As mandated by the department of Social Development, parents have 1 hour to make arrangement to pick up your child from our program

Unexpected Early Dismissal from school

If schools were to close early for any reason, we do not have the ability to call in staff on short notice. The program would not be available until our regular scheduled time.

Evacuation Plan and Meeting Location:

In the case we have to evacuate our building due to emergency our meeting location is Ford Wood Motors located at 880 Prospect. We will contact parents, and parents will have 1 hour to pick up their child from our care.
