

## FitKids 2025 Great Outdoor Summer Camp

Dear parents/participant,

It is with great pleasure that FitKids is offering full time summer camps for children registered into grade 2-6 for this upcoming school year. Our Summer Camp Program is geared towards fitness and requires no specific athletic ability in order to participate. Activities such as hiking, swimming, road hockey and outdoor exploration are just some of the activities that your child will experience while attending our camps. We have different themes each week that should appeal to a variety of children.

Participants will need proper gym apparel (indoor shoes) depending on the activity and parents are responsible for providing lunch and snacks for their child. Please see below our schedule and registration form.

If you have any questions please feel free to contact us at 454-2923 or by email at [contactfitkids@gmail.com](mailto:contactfitkids@gmail.com)

To register, please e-mail us your completed registration forms to [contactfitkids@gmail.com](mailto:contactfitkids@gmail.com). In order to secure your child's placement, their registration forms and payment are required prior to attending.
